Dear Dr Bhaba,

Thank you for your email and the proposal for collaboration. While we are interested to collaborate with your college, the process is slightly different. It has to be routed through the university in Thimphu for which there are several conditions and may take several months to years or may not even be approved. However, we can conduct activities without formal MoU for the benefit of students like friendly sports, cultural exchanges and visits. So, JNEC is open for any type of exchanges without formal MoU.

With best regards
Tshewang
