This is to certify that the documents related to scholarship and free ships are available such as list of the beneficiary students since 2018-19 to 2022-23, and some of the Govt. notifications are enclosed herewith.

Again, as soon as the govt. notifications were published for filling up of the scholarship form under central and State govt. were notified time to time in the College Notice Board, Website and WhatsApp groups.

After filing up the scholarship form and approval of the scholarship by the concerned government authority the amount of the merit scholarship was directly credited by the beneficiary student.
