

Best Practice 2

1. Title: Nurturing Students Beyond the Classroom

2. Objectives:

- To provide a platform to the students to realize their potentialities and inculcate a team spirit among them.
- To help the students in identifying their interest.
- To develop their confidence and leadership quality.
- To help the students to face the challenges and tackle the obstacles.

3. The Context:

The Institution provides students a platform to learn their potentialities through the activities they are engaged during their undergraduate programmes. Each student has her or his potential to learn and grow. However, sometimes they are not very much aware about their potentialities and this may affect their future. Therefore, the Institution tries to develop a sense of understanding among the students regarding the individual potentialities by engaging them in diversified activities beyond the classroom.

4. The Practice:

- The faculty members of the Institution try their best to involve the students in different student centric activities along with regular academic pursuits. Through these activities students get the opportunity to explore their hidden talents.
- The faculties of the Institution are actively engaged in influencing student community to express their feelings and thoughts with the help of magazines and wall magazines.
- On Teachers' Day students of each department bring out their wall magazines.
- Moreover, student union brings their yearly magazine on Freshmen social.
- On Bathou Puja, the Bodo literary society brings out its Annual Magazine.
- Department of Assamese, History, Education and Bodo publish its yearly magazine **Kushilaba, Khasipat, Educare, and Airakhi** respectively.
- The faculties organize competition like singing, dancing, rangoli making, quiz and debate etc. time to time.
- In view of the growing incidents of violence against women such as rape, molestation, eve teasing, domestic violence, acid attacks, the Institution introduces Self -Defence Programme for girl students in the Institution.
- To impart the training programme, a Taekwondo instructor has been appointed.
- The training programme is free for the students as there is an MoU between the Institution and the Goreswar Taekwondo Association.

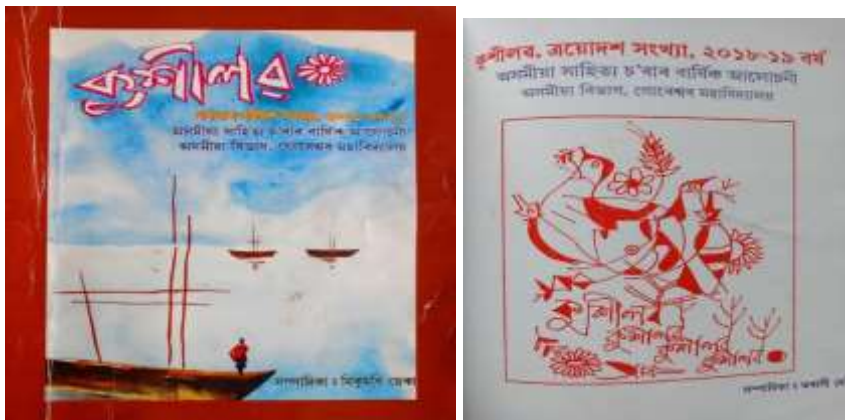

Students get the opportunity to learn team work by engaging themselves in diversified activities. Each department assigns faculties for providing guidance to the students for each year from admission till the graduation for the same batch. It is the responsibility of the respective mentor to find out the hidden talents of the students in various aspect of academic, co-curricular and extra -curricular activities so that they can be promoted to do activities in the concerned area for their holistic development.

5. Evidence of Success:

Every year students are shining in different events of sports and culture that are organized in State/National/International level and able to win bronze, silver, and gold medal. In the Inter-college Youth festival at University levels students are able to win medals in diverse fields including cultural procession, and singing and dancing competition. Moreover, in district level modelling competition students are able to shine. In martial art also students are recognized internationally.

6. Problems encountered and Resources Required:

Though the practice is a fruitful one, yet challenges are always there while handling the students. It has come to notice that some of the students are reluctant to follow the guidelines and they are unwilling to cope up with the mentors. But of such students are few in numbers. Strategies have been taken to motivate such students to bring them in track.

Goreswar College Shines at Global Cultural Fest-2021 Organised by USTM

During the pandemic of Covid-19 with the view of "creating a competitive culture to promote the cultural activities among the institutions at college and university level", the Cultural Forum of USTM conducts a Global Cultural Fest in two categories: Global Melody Star (Solo Song) and Global Rhythmic Heels (Solo Dance). Started back in July this year, the event had a long virtual journey and is culminated with the Final Battle of Rhythm & Melody on Oct.2/2021 at the Central Auditorium of the university. More than 300 participants from 18 Indian states including Bhutan and Bangladesh registered in the preliminary round in Global Melody Star. As per Juri Members' selection 30 and 13 participants secured their position for 2nd round and grand finale respectively. Renowned singers of Assamese film & music industry Dr. Sangeeta Kakati and J.P. Das were the chief judges in solo song. In the Final Battle of Global Melody Star, Miss Dodere Basumatary from Goreswar
