Assistant Convener

SEMINAR ORGANISING COMMITTEE

THE COLLEGE AT A GLANCE

Goreswar College is the sole premier institute of Higher Education in the North-eastern part of Baska District, Assam. It was established on the 29th day of August 1974 by a team of selfless and untiring social workers and lovers of education of the greater Goreswar locality. Betna Siksha and Krishi Unayan Sangha (Betna Education and Agriculture Development Organization) was a major pioneering force in the venture that provided funds to develop the required initial infrastructure for the college after it had functioned from temporary sites for some time at the beginning. Started as an Arts College with the P.U. (pre-university now Higher Secondary) course in 1974 with 116 students, it rose to the status of a Degree College in and from the session 1977-78 as per G.U. Order No.-Aff/cg/1/77 with its P.U. (now H.S.) program still continued. The College was brought under Deficit system of Grants-in-Aid with effect from 1.9.81 as per Govt. of Assam, Director of Public Instructions' Order No.NC.G (A)RC-2/82/17 dated Kahilipara, the 22nd July 1982. Again the College was provincialised w.e.f. 1st December 2005 by the Govt. of Assam along with other Deficit system of Grants-in-Aid Degree Colleges. The college has obtained inclusion under 2(F) & 12(B) of the UGC Act. of 1956 vide UGC order no. F8-31/95(CPP-I) dated 8th April 2003. At present the College has three streams-1) Arts and 2) Commerce and 3) Science.

ABOUT THE SEMINAR

Northeast India, with its rich cultural heritage and tradition, is emerging as one of the most economically vibrant regions of the country. The region is blessed with abundant natural resources such as coal, crude oil, tea, natural gas, etc. Its close proximity to China, Myanmar, Bangladesh, and Bhutan has provided an added impetus to the region's economic growth. Historically, the region has suffered from the negative impact of insurgency for many years, which has affected economic growth and development. The constant efforts of the Government of India and the change in people's outlook and attitude in recent years have made the region one of the major growth corridors of the country. With the introduction of the Look East Policy and later the Act East Policy, the region has emerged as one of the main centres of India's development thinking. Sub-regional organisations such as the Bay of Bengal Initiative for Multi-Sector Technical and Economic Cooperation (BIMSTEC) and Bangladesh, Bhutan, India, and Nepal (BBIN) have emerged, with Northeast India playing a central role. The region has also emerged as a gateway to Southeast Asia. The objective of the proposed seminar is to explore Northeast India's rich socio-cultural, economic, and historical heritage in order to link it with the goal of a vibrant Northeast India. It aims to establish the connection between the policies of the Government of India and the rich traditional and historical legacy of the region.

THEME OF THE SEMINAR

VIBRANT NORTH EAST INDIA: ENVISIONING ECONOMY, SOCIETY AND POLITY
