## ANALYSIS OF TEACHERS FEEDBACK REPORT

Feedbacks from the teachers of the college on curriculum, teaching, learning, evaluation and infrastructure aspects are collected using Google Form. The data collected are analyzed and result is graphically presented below:

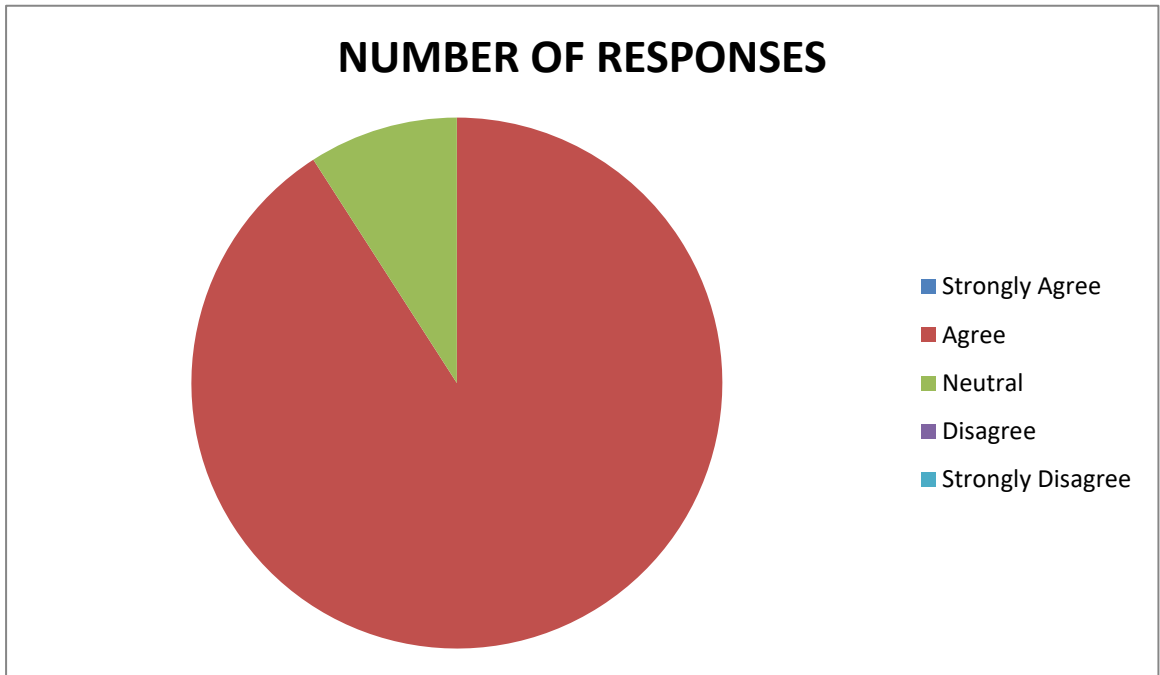

1. The objectives of the syllabi are well defined.

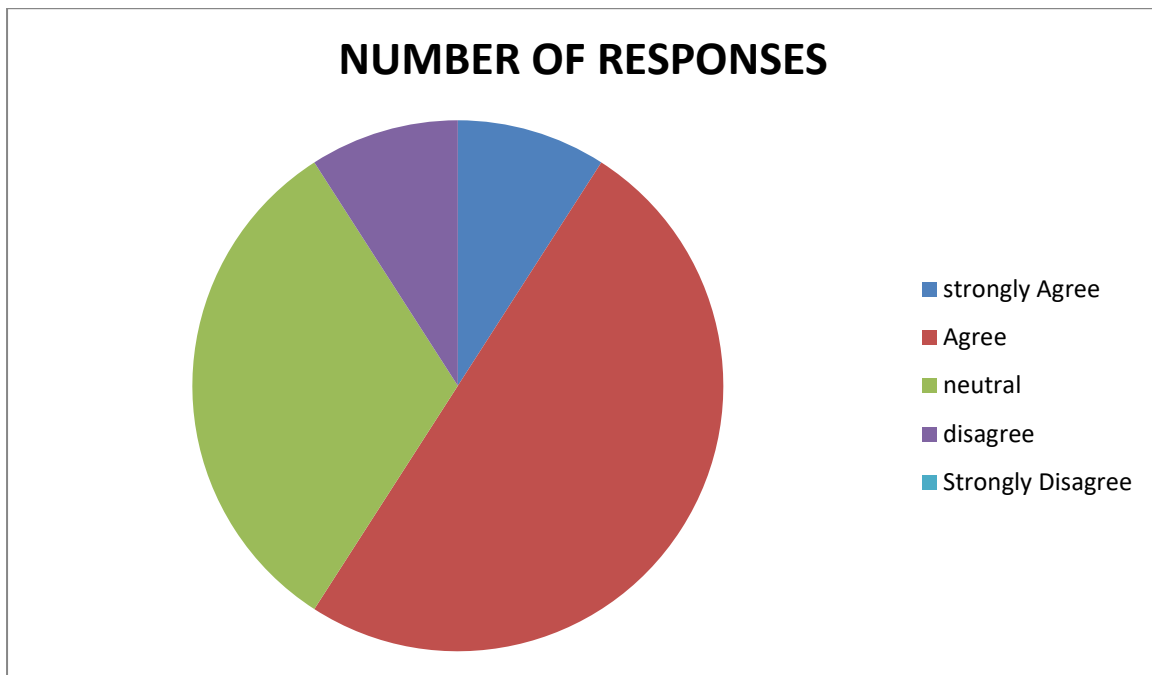

2. I have good knowledge of ICT

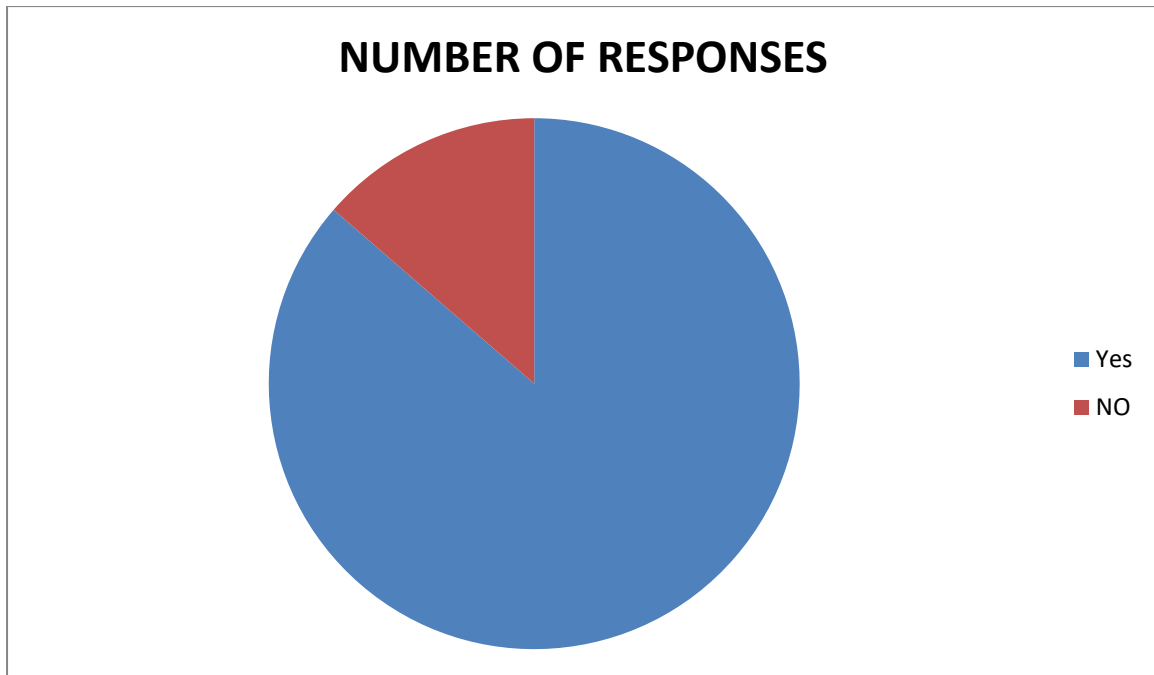

3. college authority took appropriate measures to create awareness regarding newly introduced CBCS system

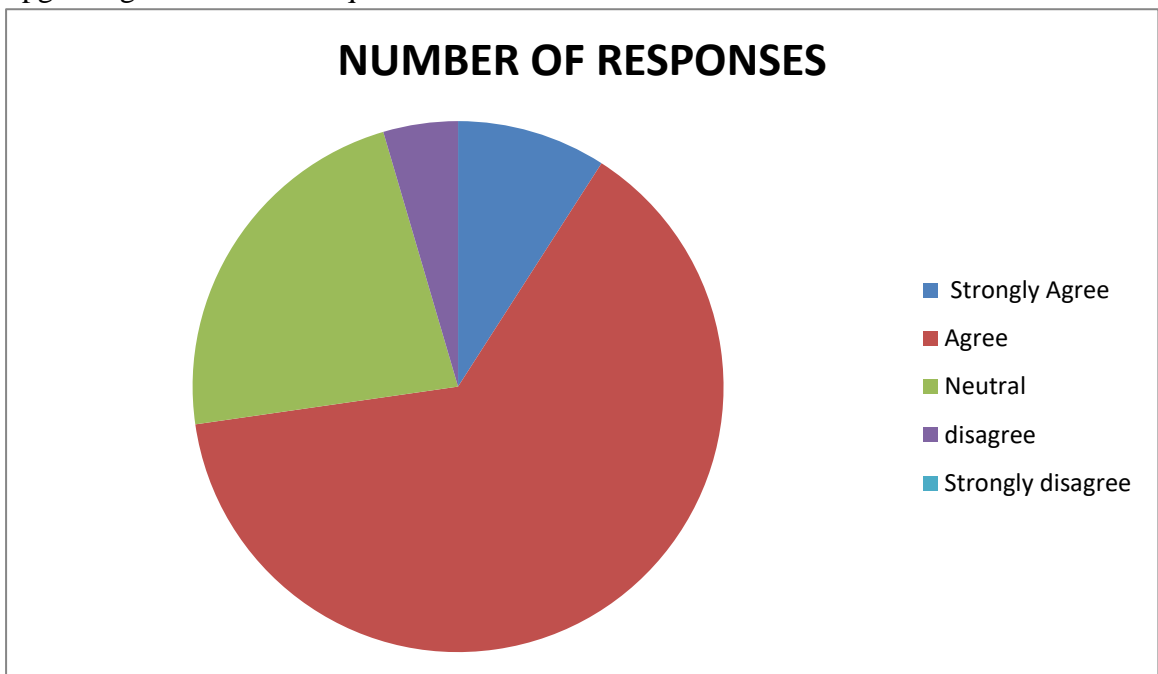

4. Prescribed reference material are relevant and cover the entire syllabi

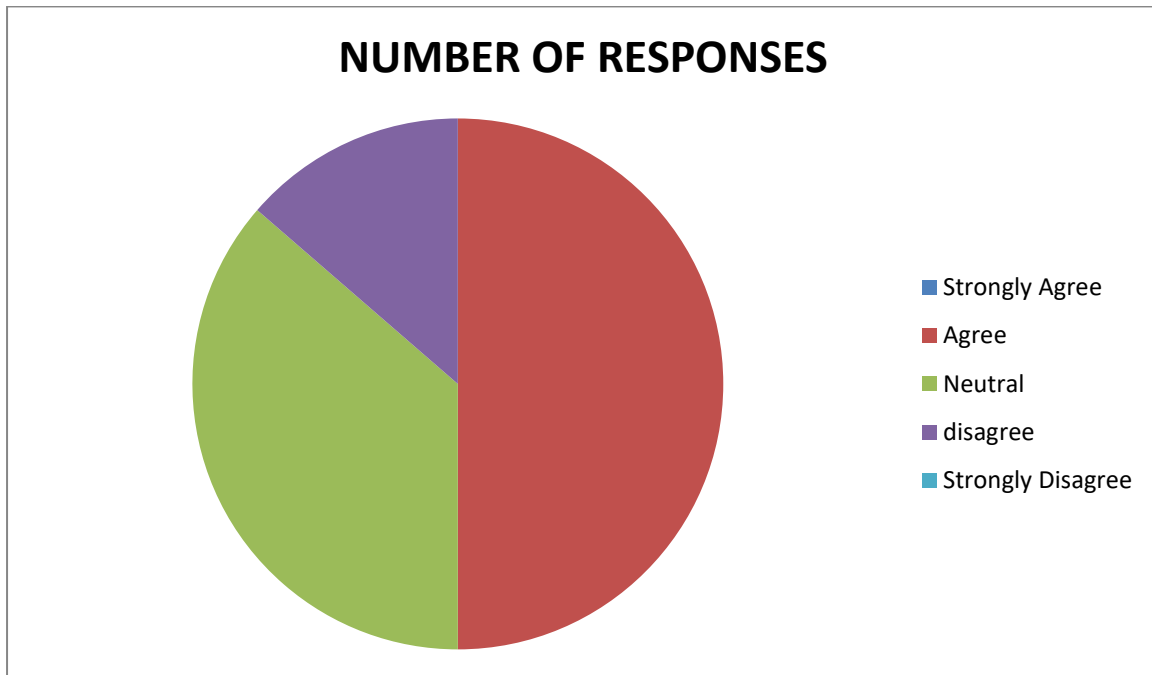

5. I have participated in webinar/seminar/workshop, etc.

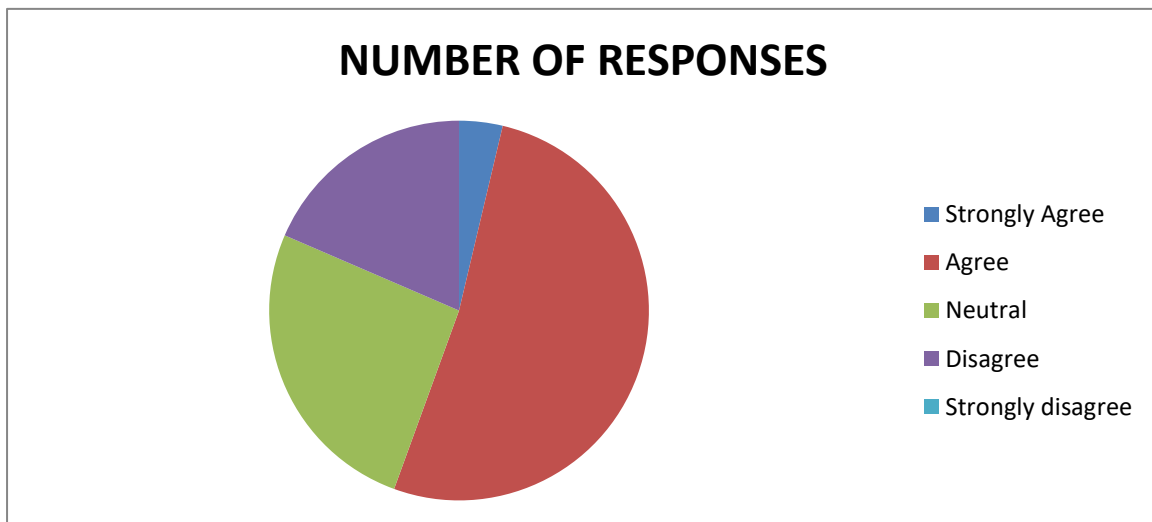

6. The college provides adequate opportunities and support to faculty members for upgrading their skills and qualifications

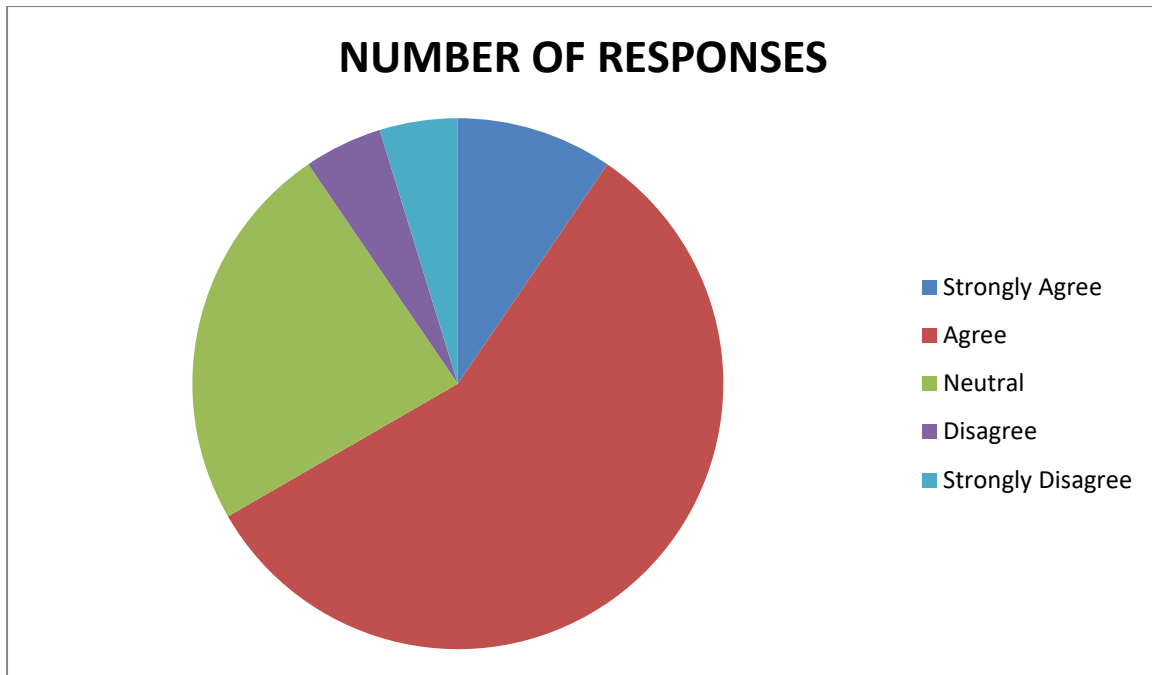

7. Books prescribed in the syllabus are available in the library in sufficient number.

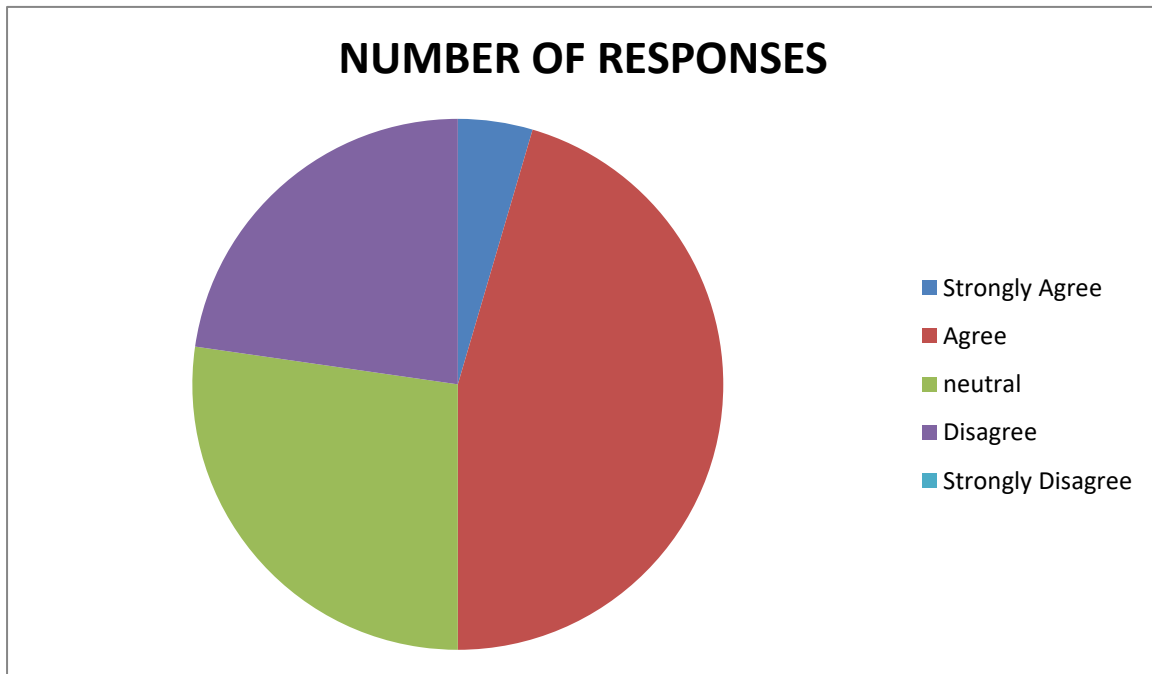

8. The college environment is conducive to teaching and research.

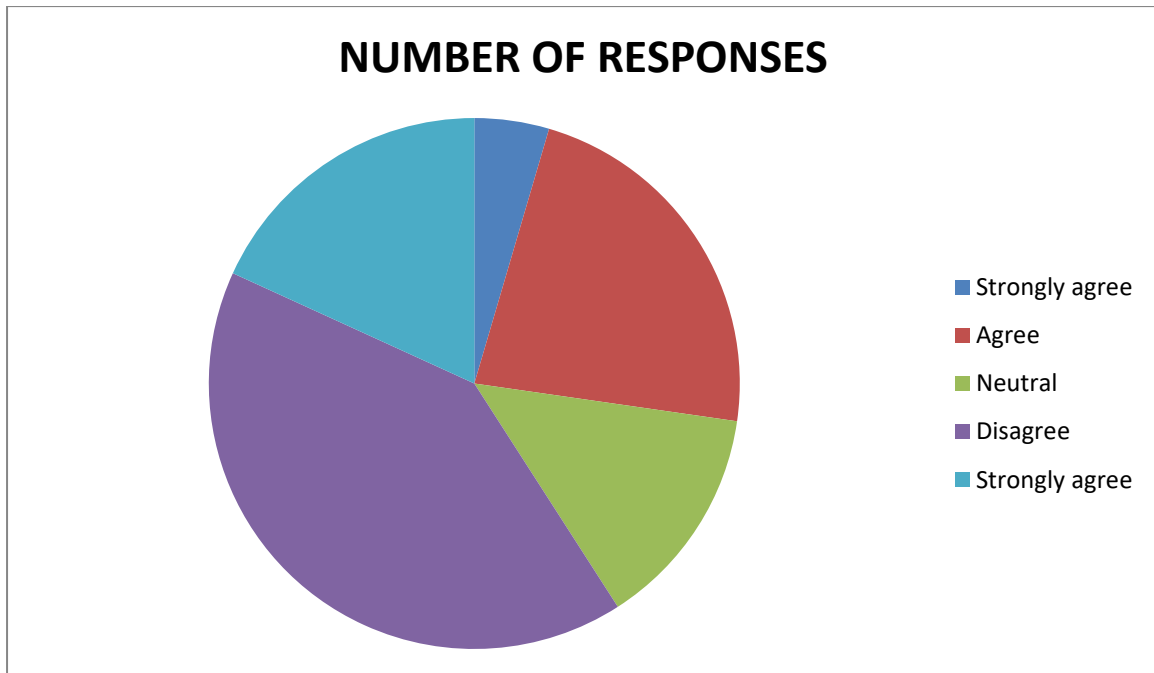

9. Administration is teacher friendly

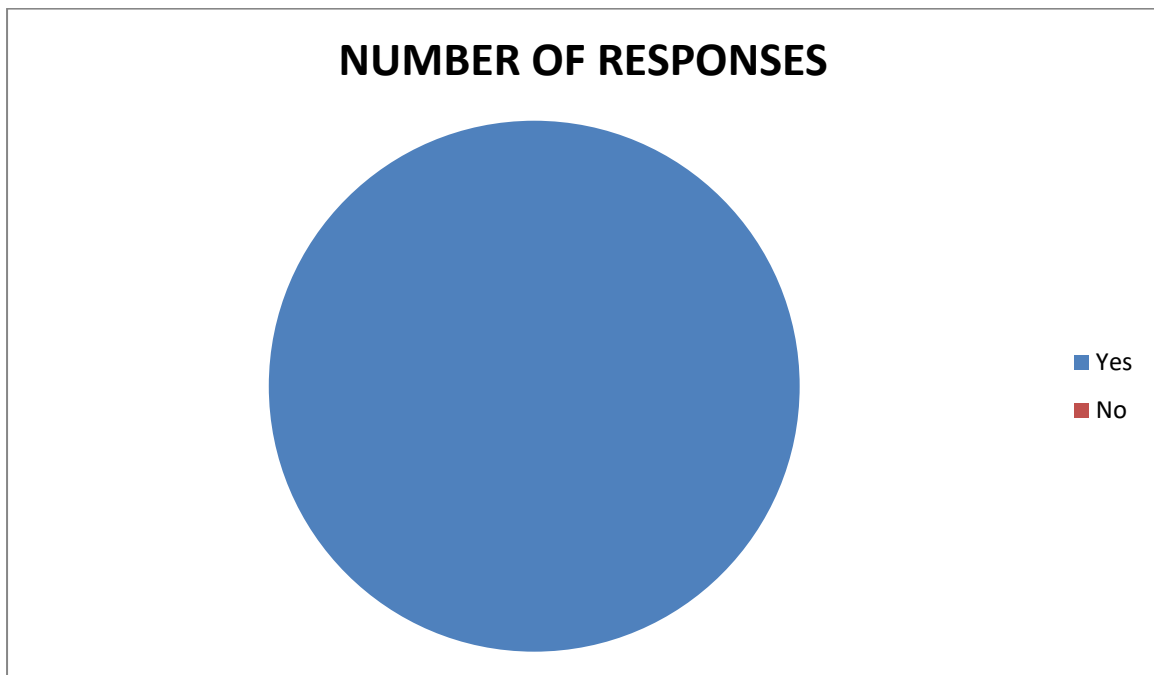

10. Information and Communication Technologies in the college are adequate and satisfactory

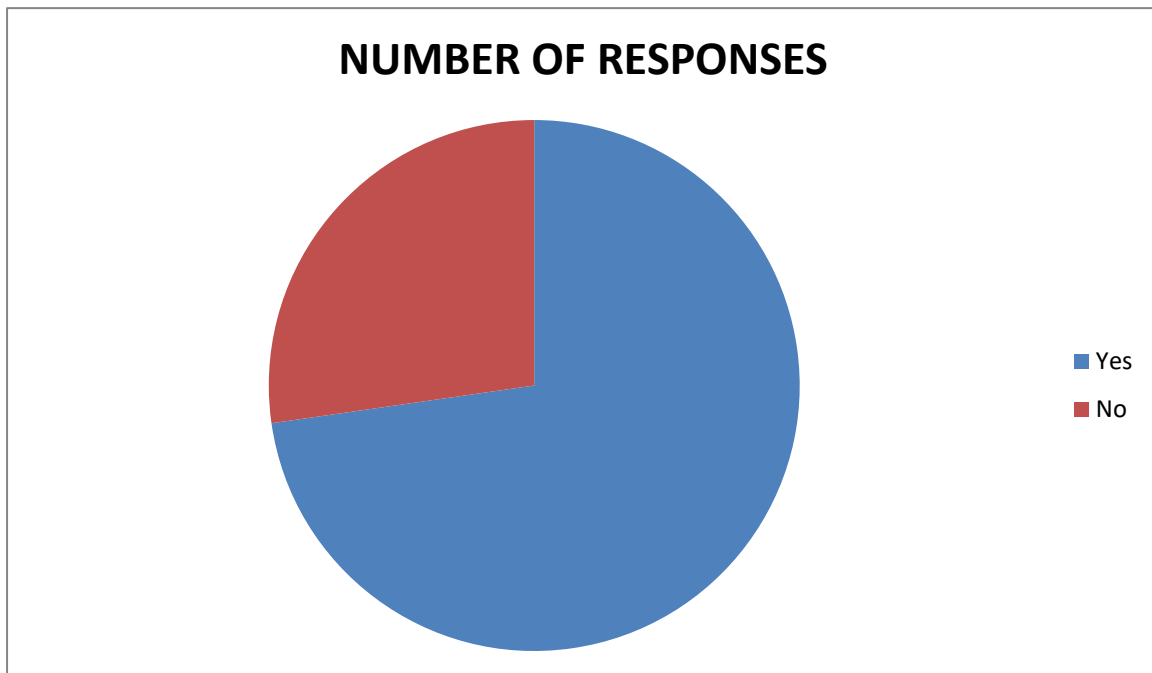

11. Well maintained college canteen

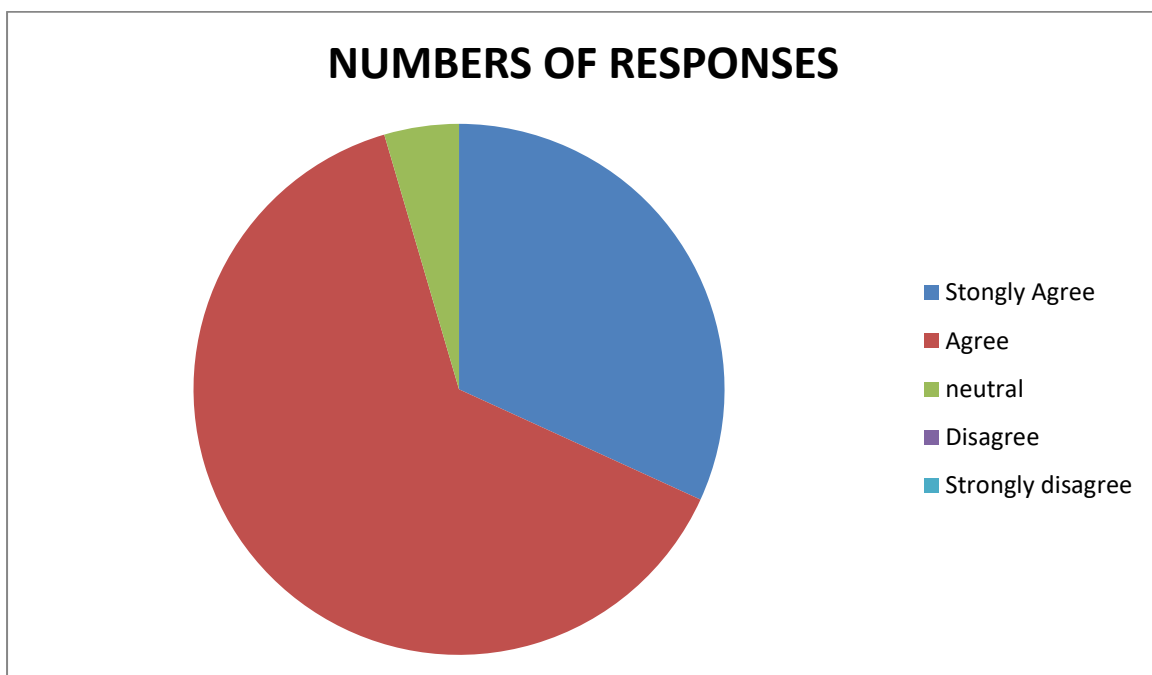

12. I am mentoring students

13. I have participated in FDP/Orientation/ induction/ Refresher programme.

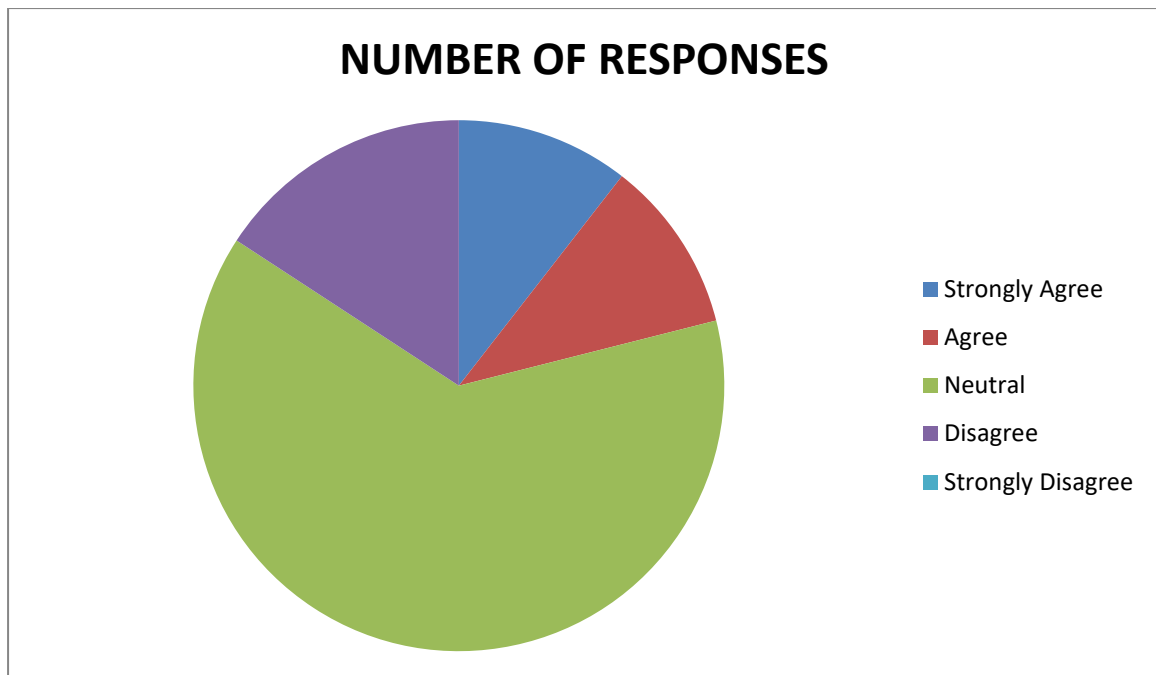

14. The course taught by me has a good balance theory and application

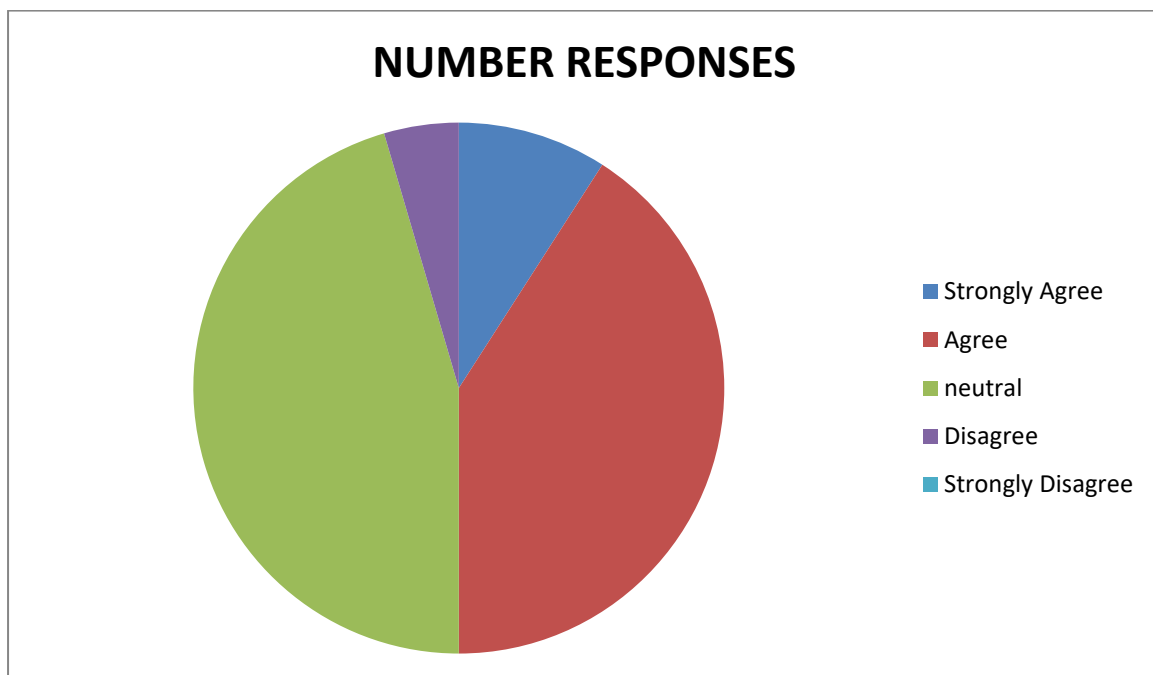

15. Toilets/washrooms in the college are well maintained.

16. The classrooms are clean and well maintained.

### **SUMMARY OF THE TEACHERS FEEDBACK REPORT ANALYSIS:**

1. 87% of the teaching faculty are happy with the curriculum and believed that objectives of the syllabi are well defined.
2. 73% of the teaching staff (strongly) agreed that they have good knowledge of ICT
3. 59% of the teaching staff believes that Prescribed reference material are relevant and cover the entire syllabi
4. Report shows that only 14% of teachers have not participated in webinar/seminar/workshop, etc.
5. 56% of the teaching faculty agreed that the college environment is conducive to teaching and research.
6. 5% of the teacher responded that the college administration is not teacher friendly.

**ACTION TAKEN ON THE FEEDBACK REPORT:**

1. The College Governing Body has requested funds from the Chief Executive Member of BTC for infrastructural development of college.
2. IQAC has initiated training for administrative staff to improve the working ability of non-teaching staff and to make the administration teacher friendly.
3. Measures for the rejuvenation of the college infrastructure are initiated.
4. The College Governing Body and the IQAC have taken measures to improve the quality of ICT infrastructure in the college.
5. The college IQAC has formed canteen development cell for the development and maintenance of college canteen.
