CURRICULAR ASPECTS

1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

Through a well planned and documented process, the Institution ensures the effective curriculum delivery. In the very beginning of the academic session, the academic committee meets and plans the strategy for effective delivery of the curriculum. As the institution is affiliated to Gauhati University and Bodoland University, we follow the curriculum designed and approved by both the universities. The admission committee prepares the prospectus disseminating all required information and this committee also decides the admission dates for all programmes on the basis of merit list. The institution adheres to the academic calendar to the fullest extent possible. The daily class routine of the college is prepared well before the start of the new academic session and the same is put up in the college notice board and in institutional website. Each department chalks out its teaching strategy and accordingly they draft their lesson plans. Besides chalk and talk method, group discussions, assignments, field trips, observation of various Days etc. are organized to

supplement the curriculum. During the pandemic period classes are done through zoom meeting and Google meet for effective curriculum delivery. The college also runs some Certificates and Value added courses which are designed by faculty members .

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in

maximum of 200 words

The faculties of almost all the teaching departments use ICT tools in the class room. Devices such as Laptops, tablets, smart phone, LCD projector, etc . are used in the teaching learning process for effective class room delivery. In this year reight from Covid-19 outbreak i.e. from the month of April teachers have done online classes through Zoom , Microsoft teams and Google meet . However it can be mentioned that as the learners of the college are from rural areas and due to internet connectivity issues , all students are not able to do their online classes regularly in that period . Of course the study materials are send to them through whatsapp group and other academic information are also provided to them over telephone and facebook link and whatsapp group. In the offline teaching learning situation also the teachers use the ICT tools to make the teaching more effective. At present the college has four ICT enable class rooms which are used by teachers. Some teachers of the college also bring out the academic lecture through their own youtube channel. Hence the different ICT tools help students to assess and develop their own knowledge in a better way.

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

As per guidelines of Affiliating universities i.e. Gauhati university and Bodoland University all internal assessment procedures are taken in the institution for transparent and robust internal examinations. The college has adopted CBCS system from academic year 2019 and 2020 under Gauhati University and Bodoland University respectively. The mechanisms used in the institution for internal assessment are sessional examinations, Home assignment, practical , seminar, field work as per university's guideline. The Principal according to college rule formed a committee for smooth conducting of sessional exams. and this is a centralized sessional examination system. The tentative month of internal assessment is displayed in the college Academic calendar itself before the commencement of the classes and the time table is displayed in the notice board before 15 days of the examination. In this year due to lockdown sessional exams and home assignments are conducted and collected through online mode. The internal examination committee formed by the Principal distributed the question papers and collected the answer scripts of the students through whatsapp group. After completion of the process the obtained marks in different subjects are recorded and kept departmentally and then submitted in the university portal .

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient

The Principal has appointed internal Examination committee for all streams. Internal examinations are conducted prior to the university examinations in all semesters. Internal examination committee prepared the time table . In this year due to covid pandemic internal Examinations or home assignments are given to the students through whatsapp group , Google classroom, and the answer scripts are checked by the faculties and the marks are submitted to the university portal on time. Transparent, time-bound and efficient methods are followed to resolve the grievances in the college. If the students have any grievances regarding internal examinations, students have to approach to the HoD of the

departments through an application. After getting the application from the students the concerned HoDs proceed to principal and necessary measures are taken immediately in consultation with the internal assessment committee. For example ,If a student is not able to appear for examination due to medical or any genuine reason then examination is conducted for that student immediately after one week or so. For other grievances like, absent in internal assessment in statements of marks, college obtains application from the students and then communicated to the University through the principal .

2.6 - Student Performance and Learning Outcomes

2.6.1 - Teachers and students are aware of the stated Programme and course outcomes of the Programmes offered by the institution.

As Goreswar College offers undergraduate courses in Language –Literature, Social Sciences, commerce and science in 17 disciplines under Bodoland University, the College at the start of each academic session conducts a Faculty Guided Orientation Programme for students with a view to inform and educate them about the nature of the Programme and the courses contained in them. At the very outset of the Programme, the students are informed about the benefit and prerequisite of a graduate programme in Higher Education and the various academic and employment prospects arising out of it.

The orientation programme is made interactive in nature with active involvement of the students in the process along with an interaction and Answer session.

After the general orientation, departmental orientation programmes are held wherein the faculties of the concerned departments deliver a lecture to the Honours and Regular students about the course content with detailed presentation of the units of all the courses and the required reading lists. The teachers provide the hard copies of the syllabus for all the semesters to the concerned students. They also communicate to the students the specific course outcomes of the concerned Department as prepared and published by Bodoland University for undergraduate programmes in

different disciplines. Moreover, our faculties remain in constant touch with their affiliating University departments to avail any information regarding change and upgradation of respective programmes and courses along with the course outcomes.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

Regarding the method of measuring the level of attainment of POs and COs the institution undertakes the following mechanisms-

Performance of the students in the classroom is observed through various methods like engagement of the students in the classroom activities and their ability to answer questions posed by the teachers regarding any specific topic contained in the Courses.

The student's participation in various group discussions and departmental seminars, Assignments, Class-Tests, Project and Field Works are also good indicators. Teachers analyze how well the students incorporate their understanding of the Programmes and Outcomes in writing answers. Their critical thinking and innovative method of proposing solutions to various issues are also recorded.

The principal convenes a joint meeting of the IQAC and Academic Council of the college after the declaration of end semester examinations conducted by the Bodoland University to take stock of the performance of the students in relation to performances in previous academic sessions. The Principal then notifies the departments about the proceedings and suggestions of the meeting and instructs the HoDs to take necessary actions to further improve the quality of results.

Analyzing the records of placement and progression to higher education of the students in various governmental, non-governmental and entrepreneurial ventures is reflective of the success and realization of the POs, PSOs and COs.

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

The college has initiated some strategies to make the teaching-learning process more participatory. The IQAC has initiated the process of recording student feedback regarding various dimensions relating to the teaching learning process. These are namely, observations regarding the performance of the teachers in the classroom along with the over all academic atmosphere of the college, the active engagement of the students in the teaching-learning and extra- curricular activities etc. This periodic assessment benefits the college to learn about the strength and weakness of the teachers, their interest in participating in academic and co-curricular activities as well as their punctuality and dedication to their occupation. The feedback of the students are collected in a Google Form containing objective type of questions related to the course content, syllabus coverage, participation of teachers in the classroom and their approach in solving problems related to the academic and other aspects of students' lives. The IQAC further convenes regular meetings with the Academic Council and Heads of different departments to review the continuous evaluation process and attainment of the learning outcomes. It also directs the cells and committees to conduct regular student friendly activities with active engagement of the students as well as organize programmes relating to developing awareness regarding issues of gender, employability, community development, personality development etc.

INSTITUTIONAL VALUES AND BEST PRACTICES

7.1 - Institutional Values and Social Responsibilities

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

In order to create a safe, secure and healthy atmosphere in the Institution, Goreswar College takes initiative to organize some gender sensitization programme. Various Committees and Cells like Women's Cell, Women Welfare and Empowerment Committee, Anti-Sexual harassment Committee, Grievance Redressal Committee etc. are constituted comprising of female faculty members as per the guidelines of the University. These Committees actively work for the welfare of the girl students of the Institution. Throughout the year, some gender equity promotion events are organized. There is a common room for girls where they can take rest in their

leisure time. All required facilities are provided in the common room. Moreover CCTV Cameras have been installed in the prominent places.

There is also a provision of student counselling in the Institution. Through this process, each student gets counselling from the faculty member who is his/her mentor. This counselling process continues till the end of his/her course. The mentors provide counselling to his/her mentees for any grievances--regarding lack of academic facilities, personal problems, gender related issues etc. With the help of this mentoring system, each faculty members gets the opportunity to know and understand the potentiality as well as lackings in his/her mentees. This counselling process also improves the relationship between student and teachers.

7.1.3 - Describe the facilities in the Institution for the management of the following types of degradable and non-degradable waste (within 200 words) Solid waste management Liquid waste management Biomedical waste management E-waste management Waste recycling system Hazardous chemicals and radioactive waste management

For waste management the Institution has an effective mechanism. In order to make the campus clean and healthy, clean campus drive is organized time to time where both students and teachers take part.

Solid waste management:

The bio-degradable waste is put into a pit and left to ferment which is used later on as fertilizer to the plants in the campus. The non-bio-degradable waste is placed into dustbins which are further collected by the municipal authorities. Moreover, the old copies of internal assessment are stored for a specific period and after that they are given away for recycling. The purpose of this practice is to ensure effective paper recycling in order to make fewer trees being cut down. The appointed housekeeping staff take charge of collecting and disposing the solid waste.

Liquid waste management:

E-waste management:

The e-waste generated in the Institution are collected from the Institution and handed over to an external e-waste recycling agency.

Waste recycling system:

The bio-degradable waste is put into a pit and left to ferment which is used later on as fertilizer to the plants in the campus.

CURRICULAR ASPECTS

1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

Through a well planned and documented process, the Institution ensures the effective curriculum delivery. In the very beginning of the academic session, the academic committee meets and plans the strategy for effective delivery of the curriculum. As the institution is affiliated to Gauhati University and Bodoland University, we follow the curriculum designed and approved by both the universities. The admission committee prepares the prospectus disseminating all required information and this committee also decides the admission dates for all programmes on the basis of merit list. The institution adheres to the academic calendar to the fullest extent possible. The daily class routine of the college is prepared well before the start of the new academic session and the same is put up in the college notice board and in institutional website. Each department chalks out its teaching strategy and accordingly they draft their lesson plans. Besides chalk and talk method, group discussions, assignments, field trips, observation of various Days etc. are organized to supplement the curriculum. During the pandemic period classes are done through zoom meeting and Google meet for effective curriculum delivery. The college also runs some Certificates and Value added courses which are designed by faculty members.

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

The faculties of almost all the teaching departments use ICT tools in the class room. Devices such as Laptops, tablets, smart phone, LCD projector, etc . are used in the teaching learning process for effective class room delivery. In this year reight from Covid-19 outbreak i.e. from the month of April teachers have done online classes through Zoom , Microsoft teams and Google meet . However it can be mentioned that as the learners of the college are from rural areas and due to internet connectivity issues , all students are not able to do their online classes regularly in that period . Of course the study materials are send to them through whatsapp group and other academic information are also provided to them over telephone and facebook link and whatsapp group. In the offline teaching learning situation also the teachers use the ICT tools to make the teaching more effective. At present the college has four ICT enable class rooms which are used by teachers. Some teachers of the college also bring out the academic lecture through their own youtube channel. Hence the different ICT tools help students to assess and develop their own knowledge in a better way.

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

As per guidelines of Affiliating universities i.e. Gauhati university and Bodoland University all internal assessment procedures are taken in the institution for transparent and robust internal examinations. The college has adopted CBCS system from academic year 2019 and 2020 under Gauhati University and Bodoland University respectively. The mechanisms used in the institution for internal assessment are sessional examinations, Home assignment, practical, seminar, field work as per university's guideline. The Principal according to college rule formed a committee for smooth conducting of sessional exams. and this is a centralized sessional examination system. The tentative month of internal assessment is displayed in the college Academic calendar itself before the commencement of the classes and the time table is displayed in the notice board before 15 days of the examination. In this year due to lockdown sessional exams and home assignments are conducted and collected through online mode. The internal examination committee formed by the Principal distributed the

question papers and collected the answer scripts of the students through whatsapp group. After completion of the process the obtained marks in different subjects are recorded and kept departmentally and then submitted in the university portal .

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time-bound and efficient

The Principal has appointed internal Examination committee for all streams. Internal examinations are conducted prior to the university examinations in all semesters. Internal examination committee prepared the time table . In this year due to covid pandemic internal Examinations or home assignments are given to the students through whatsapp group , Google classroom, and the answer scripts are checked by the faculties and the marks are submitted to the university portal on time. Transparent, time-bound and efficient methods are followed to resolve the grievances in the college. If the students have any grievances regarding internal examinations, students have to approach to the HoD of the departments through an application. After getting the application from the students the concerned HoDs proceed to principal and necessary measures are taken immediately in consultation with the internal assessment committee. For example ,If a student is not able to appear for examination due to medical or any genuine reason then examination is conducted for that student immediately after one week or so. For other grievances like, absent in internal assessment in statements of marks, college obtains application from the students and then communicated to the University through the principal .

2.6 - Student Performance and Learning Outcomes

2.6.1 - Teachers and students are aware of the stated Programme and course outcomes of the Programmes offered by the institution.

As Goreswar College offers undergraduate courses in Language -Literature, Social Sciences, commerce and science in 17 disciplines under Bodoland University, the College at the start of each academic session conducts a Faculty Guided Orientation Programme for students with a view to inform and educate them about the nature of the Programme and the courses contained in them. At the very outset of the Programme, the students are informed about the benefit and prerequisite of a graduate programme in Higher Education and the various academic and employment prospects arising out of it.

The orientation programme is made interactive in nature with active involvement of the students in the process along with an interaction and Answer session.

After the general orientation, departmental orientation programmes are held wherein the faculties of the concerned departments deliver a lecture to the Honours and Regular students about the course content with detailed presentation of the units of all the courses and the required reading lists. The teachers provide the hard copies of the syllabus for all the semesters to the concerned students. They also communicate to the students the specific course outcomes of the concerned Department as prepared and published by Bodoland University for undergraduate programmes in different disciplines. Moreover, our faculties remain in constant touch with their affiliating University departments to avail any information regarding change and upgradation of respective programmes and courses along with the course outcomes.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

Regarding the method of measuring the level of attainment of POs and COs the institution undertakes the following mechanisms-

Performance of the students in the classroom is observed through various methods like engagement of the students in the classroom activities and their ability to answer questions posed by the teachers regarding any specific topic contained in the Courses.

The student's participation in various group discussions and departmental seminars, Assignments, Class-Tests, Project and Field Works are also good indicators. Teachers analyze how well the students incorporate their understanding of the Programmes and Outcomes in writing answers. Their critical thinking and innovative method of proposing solutions to various issues are also recorded.

The principal convenes a joint meeting of the IQAC and Academic Council of the college after the declaration of end semester examinations conducted by the Bodoland University to take stock of the performance of the students in relation to performances in previous academic sessions. The Principal then notifies the departments about the proceedings and suggestions of the meeting and instructs the HoDs to take necessary actions to further improve the quality of results.

Analyzing the records of placement and progression to higher education of the students in various governmental, non-governmental and entrepreneurial ventures is reflective of the success and realization of the POs, PSOs and COs.

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

The college has initiated some strategies to make the teaching-learning process more participatory. The IQAC has initiated the process of recording student feedback regarding various dimensions relating to the teaching learning process. These are namely, observations regarding the performance of the teachers in the classroom along with the over all academic atmosphere of the college, the active engagement of the students in the teaching-learning and extra-curricular activities etc. This periodic assessment benefits the college to learn about the strength and weakness of the teachers, their interest in participating in academic and co-curricular activities as well as their punctuality and dedication to their occupation. The feedback of the students are collected in a Google Form containing objective type of questions related to the course content, syllabus coverage, participation of teachers in the classroom and their approach in solving problems related to the academic and other aspects of students' lives. The IQAC further convenes regular meetings with the Academic Council and Heads of different departments to review the continuous evaluation process and attainment of the learning outcomes. It also directs the cells and committees to conduct regular student friendly activities with active engagement of the students as well as organize programmes relating to developing awareness regarding issues of gender, employability, community development, personality development etc.

INSTITUTIONAL VALUES AND BEST PRACTICES

7.1 - Institutional Values and Social Responsibilities

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

In order to create a safe, secure and healthy atmosphere in the Institution, Goreswar College takes initiative to organize some gender sensitization programme. Various Committees and Cells like Women's Cell, Women Welfare and Empowerment Committee, Anti-Sexual harassment Committee, Grievance Redressal Committee etc. are constituted comprising of female faculty members as per the guidelines of the University. These Committees actively work for the welfare of the girl students of the Institution.

Throughout the year, some gender equity promotion events are organized. There is a common room for girls where they can take rest in their leisure time. All required facilities are provided in the common room. Moreover CCTV Cameras have been installed in the prominent places.

There is also a provision of student counselling in the Institution. Through this process, each student gets counselling from the faculty member who is his/her mentor. This counselling process continues till the end of his/her course. The mentors provide counselling to his/her mentees for any grievances--regarding lack of academic facilities, personal problems, gender related issues etc. With the help of this mentoring system, each faculty members gets the opportunity to know and understand the potentiality as well as lackings in his/her mentees. This counselling process also improves the relationship between student and teachers.

For waste management the Institution has an effective mechanism. In order to make the campus clean and healthy, clean campus drive is organized time to time where both students and teachers take part.

Solid waste management:

The bio-degradable waste is put into a pit and left to ferment which is used later on as fertilizer to the plants in the campus. The non-bio-degradable waste is placed into dustbins which are further collected by the municipal authorities. Moreover, the old copies of internal assessment are stored for a specific period and after that they are given away for recycling. The purpose of this practice is to ensure effective paper recycling in order to make fewer trees being cut down. The appointed housekeeping staff take charge of collecting and disposing the solid waste.

Liquid waste management:

E-waste management:

The e-waste generated in the Institution are collected from the Institution and handed over to an external e-waste recycling agency.

Waste recycling system:

The bio-degradable waste is put into a pit and left to ferment which is used later on as fertilizer to the plants in the campus.
